CATgear.com

Exhibitor

At CATgear, Evangelization has been our goal from the beginning. In the fall of 2000, we were looking for a way to help our high school students better understand their faith specifically with Mary and the Rosary, so we started with the HAVE YOU TALKED TO YOUR MOTHER LATELY shirt. Next, we wanted our kids to realize that their faith is not an hour a week but all the time, so we came out with the CATHOLICISM IS NOT A SPECTATOR SPORT shirt. Not only did the kids wear the shirts, but parents, family, and friends began to wear them, too. Thus, CATgear was born. [\(read more\)](#)

"As a child of the plantation era, the life lessons learned are still with me to this day. An understanding that has served me in my artistic endeavors is: "What others term mythology, I consider history." My approach is consistent; quality of art (product), research (accuracy of information), and consulting with Kupua, (experts in the field.) More recently since 2009, Artist Sabado's passion has been to combine his love and devotion to his home island; Molokai and the portraits of Saint Damien, St. Marianne Cope and the more recent and in some opinions the most admired, being the Portrait of St. Marianne Cope for St. Francis Hospital in the Nuuanu Valley.
