Mission

The mission of the Damien and Marianne Catholic Conference (DMCC) is to educate, inspire and empower its Ohana. Our focus will be on the respect of human life and dignity, marriage, youth and family life, education, social justice and evangelism.

Goal

Leaders within the Catholic community will help attain the mission of the Damien and Marianne Catholic Conference by promoting diversity and mutual trust among the people of Hawaii, in a spirit of the universal church.

Purpose

The purpose of the Damien and Marianne Catholic Conference is to:

Bring Christ's message to people of Hawaii and beyond and to promote an understanding of the dignity and reverence for all life.

Inspire participants to be fully engaged in all aspects of life, physically, emotionally, socially, spiritually and environmentally;

- through the arts, songs, worship participation, presentations and healing ministries*
- through the diverse cultural, religious, and historical practices*
- through current educational opportunities and ever changing technology and social media, participants and other faithful will be provided opportunities to understand our faith and grow spiritually through the Damien and Marianne Catholic Conferences*

Future

We are in the planning phase for the Damien and Marianne Catholic Conference activities. We are inviting speakers, identifying sponsors, developing a budget and marketing strategies.

Most of the revenue will come from registration fees, corporate sponsors and individual donors. Volunteers are currently providing their time and talents to defray cost. Smaller conferences will be planned every other year. In time, with success, we would like paid staff to manage the day-to-day operations of the Damien and Marianne Catholic Conference.
