Tito Montes

A 1993 graduate of the United States Naval Academy, Tito is a 24 year U.S. Navy veteran. In 2005, Tito began work as a Military Operations Research Analyst in Washington, DC. There he managed and led several major military acquisition studies for the Office of the Chief of Naval Operations. Tito currently works for a scientific consulting company as a Senior Military Operations Research Analyst and Program Manager for Hawaii Operations at the Commander Pacific Fleet Headquarters.

Tito and his wife Erin have been married for 21 years and have three daughters: Ava (17), Sofia (16), and Stella (9). Tito's oldest daughter, Ava, is a student at Franciscan University in Steubenville, OH. Here in Hawaii, Tito has served on various ministries including: Religious Education Board, Parish Pastoral Advisory Council, Respect Life Ministry, and Confirmation catechist. He is currently enrolled in Franciscan University's Master of Arts Program in Catechetics and Evangelization.

Tito is the President Emeritus of the Hawaii Republican Assembly. During his tenure as president, Tito fought hard to bring the Pro-Life message to the people of Hawaii. This battle culminated in February, 2015, when he brought National Right to Life Committee President, Carol Tobias, to Hawaii to help support and bolster local Hawaii Right to Life organizations. He also ran for State Senate (SD20) in 2010 and also served on the City and County of Honolulu Reapportionment Commission in 2011.

Tito Montes is a strong devoted member of the Roman Catholic Church. He is a devotee to the Rosary and to weekly Confession. He is fearless in his desire to help souls and bring people to the truth of Christ and His Mystical Body, the Catholic Church. Tito firmly believes in the Catholic Church's teaching about the inviolability of human life and in accord with that teaching he resolutely affirms that human life is sacred and must be protected and respected from the moment of conception until natural death.

He rejects all forms of direct, intentional abortion and does not recognize anyone's claim to a moral right to form their own conscience in this matter. Also, he is not affiliated with, nor supportive of, any organization which supports, encourages, provides or otherwise endorses abortion, contraception, or euthanasia.
